The Story Behind [Part I - Worn Tapes]

The old porta studio
Up and running again
After twenty some years
Playing the same old tunes
A few moments of glory
A decade of pain
It's all here on these worn tapes

The voice of a dear friend
Whom been dead for years
I picture us laughing
Way back when

Sweet memories from a broken time
Sneaks up from behind

The girls
So voluptuous, fresh and ripe
So insanely beautiful

The boys
So tough and heartbroken

The naive eyes
The elusive scent of youth
It's all here on these worn tapes

Dybdahl
